

## **CONCEALED CARRY SKILLS**

### **2 DAY CLASS**

#### **Outline**

Two full days

- Shooting Fundamentals
- Medical
- Law Enforcement Link Up
- Surgical precision
- Speed shooting
- Concealment
- Hand to hand combat
- Low light shooting

#### **Description**

This covers skills and drills specific to concealed carry and active shooter scenarios. Starting with hand to hand this will also extend into the dark hours to ensure skills are built around low light shooting and operating in less than ideal conditions.

Half a day is spent in the gym on hand to hand, half a day low light and night shooting with the rest being similar to a one day tac pistol class.

This class **REQUIRES** prior attendance to pistol fundamentals or tactical pistol class.

#### **What do you need**

Pistol. Concealed or on body holster. 500rds ammunition.

#### **Where will it take place**

The range is in Waller County TX
