Description

This class covers shooting skills at multiple distances, with a focus on precision and mechanical accuracy. You will shoot from 7-300 yards, creating your own shooting plan as we progress to allow for further development. This class follows a 'standards' focus and allows for continuous improvement.

This class is as delivered to multiple Houston law enforcement agencies.

What do you need

Rifle. Sling. 500rds ammunition.

Where will it take place

The range is in Waller County TX
